Steamboat NATCHEZ

Last Authentic steamboat on the Mississippi & first company in sightseeing tours

Cruise back in time aboard the authentic Steamboat NATCHEZ, the ninth in a prestigious line of steamboats dating from the 1880's. Stop in the main salon to view pictures of her predecessors and their place in history. Today she is the LAST authentic steamboat on the Mississippi River, and still reigns as the winner of all Steamboat Races she has sailed.

Depart from the heart of the historic French Quarter on our daily Harbor Jazz Cruise, boarding to the unique sound of the Steam Calliope, followed by a visit to the

museum quality steam engine room. Live historic and port narration brings the Mississippi River alive during your two-hour cruise. Optional Creole Lunch Sampler plates are prepared on-board as well as Louisiana libations from a full bar as we cruise seven miles toward the mouth of the River and back. The Sunday Jazz Brunch is offered with a delicious buffet on the Sunday 11:30am and 2:30pm cruises.

Do you want a truly unique view of the City of New Orleans? Then board the Steamboat Natchez for our Dinner Jazz Cruise. Creole food is prepared with fresh

ingredients, special seasonings and love. Our dinner menu is sure to please those who want to experience New Orleans food and those who live here as well. Every bite will taste even better as the tunes of the Grammy nominated Dukes of Dixieland Jazz band keep your toes tapping and your fingers snapping. Southern hospitality is in large supply at our fully stocked bar and our mixologists will dazzle you with their specialty drinks.

The dinner menu includes such items as Natchez Tossed Salad, Soup du jour, Blackened Fish Lafitte, Pork Loin, Steamboat Round, Rotini Pasta Primavera, Red Beans and Rice, Potatoes, Creole Creamed Spinach, Green Beans, White Chocolate Bread Pudding, Chef's Dessert, Coffee or Iced Tea. The menu may change by season or availability.

A private room is also available with its own bar service for groups. The Captain's Salon is ideal for smaller private parties and wedding events. Want the experience personalized and private? Unique menus can be developed for groups when they charter the NATCHEZ for an evening on their own. Times for boarding and sailing will be based on the needs of your group.
