Bayou Rum Distillery

There's a spirit that runs through the bayous of the land and veins of the residents of Louisiana that's like no place on earth. From the culture to the cuisine, to the way people celebrate; it's about living life to its fullest and having some fun along the way. It's from this place, where sugar cane first came to the USA, that Bayou Rum is born.

Bayou Rum is handmade in the largest privately-owned rum distillery in the USA, utilizing traditional methods with state-of-the-art technology for all four steps: fermentation, distillation, maturation, and bottling. The beautiful facility in Lacassine, Louisiana offers distillery tours, rum tasting bar and an incomparable gift shop experience for those who visit the home of Bayou Rum.
