Nottoway Plantation & Resort | White Castle, LA

Nottoway Plantation & Resort, a magnificent 1850's sugarcane estate and AAA Four-Diamond property, is the home of the South's largest existing antebellum mansion, now stunningly restored to her days of glory. Located between Baton Rouge and New Orleans, Louisiana, the massive white columns and grand balconies of this enormous Mansion stand guard over the Mississippi River and its famed River Road, while on the north side, the spectacular three-story Rotunda overlooks sweeping, oak-draped lawns.

Daily guided mansion tours are just the beginning of what you will find here. Nottoway also offers deluxe rooms for overnight guests, fabulous dining, luxury amenities, and multiple ballrooms and meeting facilities which have been the settings for countless spectacular weddings and special events. But, the most important thing you'll find here is unforgettably gracious southern hospitality and service.
