Royal Sonesta New Orleans

The notion of luxury is elevated to an entirely new level at [Royal Sonesta New Orleans](http://www.sonesta.com/us/louisiana/new-orleans/royal-sonesta-new-orleans), where French doors open onto romantic wrought-iron balconies overlooking Bourbon Street. If you're looking for the iconic New Orleans experience, this is your place.

The aroma of fresh cut flowers fills the air and the sounds of jazz bubbles out of The Jazz Playhouse, one of the city's best spots for live jazz music, right here at Royal Sonesta. Situated in the middle of New Orleans' French Quarter, all the attractions and nightlife of one of America's most famous districts is all just steps away.

Your first challenge of the day will be to pull yourself from the crisp sheets and plush pillow top mattress, but your breakfast-in-bed room service or the many on-site dining options that serve strong coffee will do the trick.

Each of the 483 guest rooms at the Royal Sonesta. Consider upgrading to one of the suites that include a wet bar and pool access, or a Bourbon Balcony Guest Room that offers views of Bourbon Street.

When you're not strolling through the Garden District, indulging in beignets from Café Du Monde, or visiting Jackson Square, hang out at the heated swimming pool and Oasis Pool Bar at Royal Sonesta New Orleans. Relax in the courtyard where you can sip on French 75s beneath palm trees and ferns near the peaceful verdi gris fountain, or soak up the Southern Louisiana sunshine in the swimming pool.

Choose from many on-site restaurants at Royal Sonesta popular with travelers—even those not staying here. Treat yourself at Restaurant R' evolution, where chefs John Folse and Rick Tramonto have dreamed up signature dishes like “Death by Gumbo” and “Triptych of Quail” that are modern interpretations of classic Cajun and Creole cuisine. Grab po-boys, gumbo, and oysters at Desire Oyster Bar, a casual street-side restaurant on Bourbon Street. Keep your energy up with espresso and quick bites at PJ's Coffee Café, and enjoy libations at the many bars throughout the property.

Royal Sonesta New Orleans is a popular French Quarter hotel for many reasons, including its prime location. Top visitor attractions are all within walking distance: the Mississippi Riverfront, New Orleans Ernest N. Morial Convention Center, several historic sites, nationally recognized museums, and the Mercedes-Benz Superdome, home of the New Orleans Saints.

Stay at Royal Sonesta New Orleans for an authentic, luxuriant vacation filled with the cuisine, nightlife, and hospitality The Big Easy is known for.
