New Orleans Legendary Walking Tours

New Orleans Legendary Walking Tours specializes in leading educational, fun, cultural, and even adventurous walks throughout the French Quarter.

On their French Quarter and Cemetery walking tour, you will be able to take in the beautiful views of period architecture, while learning about life of centuries past. The tour includes a visit to St. Louis Cemetery No. 1, the city's oldest cemetery, famously referred to as "City of the Dead." Here, you will be able to see the tomb of legendary Voodoo Queen, Marie Laveau.

On evenings and at night, New Orleans Legendary Walking Tours leads Ghost Tours throughout the city. This "can't miss" excursion delves into the true stories of fires, plagues, and mysteries still unsolved, with visits to historic sites still standing.

Group sizes for both tours are kept small, to ensure the best view and interaction for all.
